

Every bridge won't have its height clearance displayed

CoPilot is the award-winning GPS navigation system trusted by thousands of RV owners on the road today. With a quick installation on your laptop, CoPilot's great views and clearly spoken turn-by-turn directions provide worry-free route guidance to any destination nationwide.

RV Specific Features:

- ◆ 12'6" and 13' Height Restrictions
- ◆ Propane and Scenic Routing Options
- ◆ Over 6 Million Points-of-Interest Including phone numbers
- ◆ Side-of-Street Address Notification
- ◆ Lane Change Warnings

COPILOT[®] RV¹⁰
LAPTOP

CoPilot's exclusive **RV Routing** uses 12'6" and 13' height restrictions and avoids U-turns, sharp turns, narrow roads, and dense urban streets whenever possible, so you never have to worry about low underpasses or maneuverability again.

COPILOT FEATURES

Points of Interest

Now over 6 million POIs, such as campgrounds and Wal-Marts, includes phone numbers

Propane Restriction Routing

To completely avoid tunnels that prohibit propane tanks

Scenic Routing

Guides you toward 42,000 miles of National Scenic Byways

Map Data

Over 60,000 miles of road added to an already comprehensive North American database

Automatic Route Recalculation

Directions are updated every second, miss a turn and get new directions instantly

Two-Way Voice Technology

Gives detailed spoken instructions and responds to 25 pre-determined voice commands

Customizable Display

Get important information fast including speed, elevation, altitude and more

Lane Change Warnings

Alerts you early to upcoming left exits

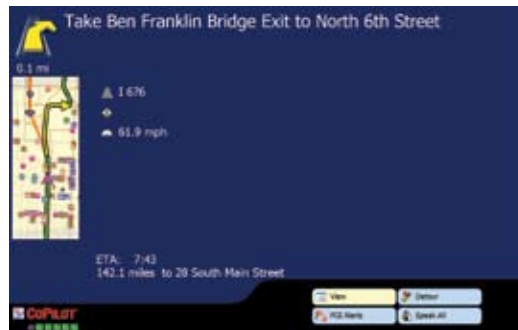

Side of Street Notification

Tells you which side of the street your destination is on

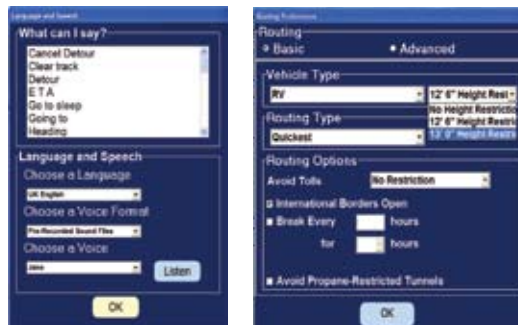

2D Map Display

Versatile and dynamic screen allows you to auto zoom to the next turn, the next stop, or instantly close in on your current position.

Drivers Safety Display

The safety screen with at-a-glance instructions limits distractions on the road.

RV Routing Profiles

Choose between the included routing options of quickest, shortest, 12'6" and 13' height restriction or customize and save your own routing profiles.
