
WELCOME

April 21-22, 2009 - Princeton, New Jersey

Craig Fiander - Vice President, Marketing

Summit Objective

Leverage ALK's unique industry position to join thought leaders in an open environment to share expertise on emerging business challenges and how technology helps provide solutions.

Summit Objective

Ultimately, ALK and our Sponsors are looking for candid feedback on the key current industry issues from each segment of the supply chain.

The roundtables are a great opportunity for you to expand upon the topics covered by the leading industry thought leaders.

Introductions & Recognition

Various ALK Technologies Introductions

Please visit Kara Jo and Katie at the product demo table in the foyer at the entrance.

Please pick up the literature and publications from our generous sponsors at the literature table.
